- Time:** 9:00 AM – 4:00 PM
- Location:** Aztec Ballroom, Hershey Lodge and Convention Center, Hershey PA
- Act 48:** 6 Act 48 Hours
- Cost:** Special Event: Free – Includes continental breakfast and lunch
- Keynote:** How can school systems leverage their technology investment to maximize student achievement on the PSSA while also supporting digital-age teaching and learning? For the past 15 years, Dr. Chris Moersch, known as "the LoTi Guy," and principal investigator of the LoTi (Levels of Teaching Innovation) project, has been instrumental in transforming low performing schools into high performing schools. He has worked with thousands of educators nationwide promoting the tenets of digital-age literacy and professional development to achieve sustainable change using 21st Century Skills and research-based best practices. He has over 20 years experience in the areas of curriculum development, program evaluation, and technology integration practices. His specialization includes school improvement initiatives, digital-age learning environments, and school leadership.
